ZA FRIZERE / FOR HAIRDRESSER

L

Performance meets Design!

Već više od 25 godina, Concept-S je sinonim za kvalitetnu i kreativnu opremu te je jedna od vodećih svjetskih tvrtki u ovoj grani poslovanja. Fokus naših proizvoda je optimalna prezentacija robe s rezultatom promocije. Našim klijentima nudimo širok spektar usluga i koncepata temeljenih na njihovim potrebama. Veliku važnost pripisujemo kvaliteti korištenih materijala i visokokvalitetnoj izradi. Standardni serijski proizvodi ne moraju nužno biti dosadni i svrhoviti.

For more than 25 years concept-s has been the synonym of high quality and creative shop planning, and is one of the leading companies in this line of business. The optimum presentation of merchandise with sales promotion is our focus. We offer our clients a wide range of services and concepts which can be customized and adapted to their requirements. We set the highest priority on the quality of the materials being used.

SHOP DESIGN ZA FRIZERE SHOP DESIGN FOR HAIRDRESSER

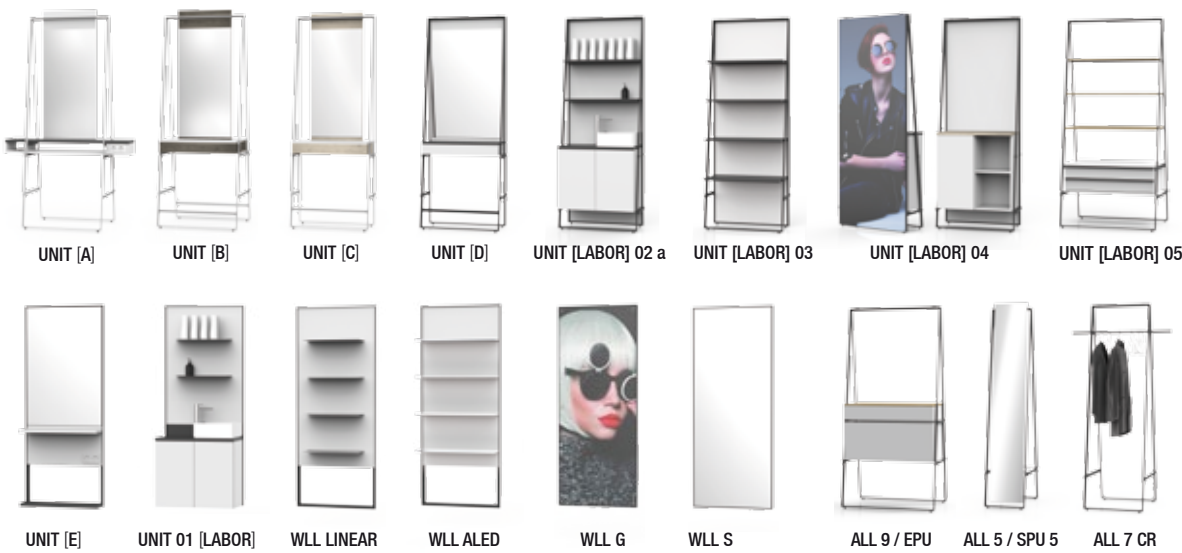

Nova LL linija proizvoda očarava kroz svoj moderni industrijski dizajn i visoku razinu fleksibilnosti. Zbog nje se naši LL-POP UP! čelični okviri daju brzo i jednostavno postaviti. Umetanjem ogledala, polica i različitog namještaja, gotovo u trenu nastaje samostojeća frizerska jedinica. Otkrijte osim toga i naše svestrane zidne elemente, na primjer za prikaz robe. Naš asortiman robe isto tako komplementira i odgovarajući pribor, sjedeći namještaj i osvjetljenje.

Dopustite si biti inspirirani od naših prijedloga za uređenje i novim proizvodima, specijalno osmišljenim za frizere! Želimo Vam veselje pri skupljanju novih ideja, a isto tako ćemo Vas rado i osobno savjetovati!

The new LL-product line captivates with modern industrial design and high flexibility. Thus, our LL-POP UP! steel frames can be quickly unfolded and easily set up. Through placing mirrors, shelves and furniture cabinets, a free-standing styling unit is created in no time. Discover also our various wall units for example for laboratory and merchandise display. Our product range is complemented by matching accessories, seating furniture and lighting.

Be inspired by our furnishing proposals and new products specially designed for hairdressers! We hope you will enjoy collecting new ideas and will also consult you personally.

JEDNOSTAVNO I BRZO POSTAVLJANJE!
EASY AND QUICK SET-UP !

Nova linija proizvoda LL-POP UP! na potpuno novi način definira fleksibilno uređenje frizerskih salona: sklopivi čelični okviri mogu se bez alata brzo i jednostavno postaviti, očaravajući kroz svoj moderni industrijski dizajn. Ogledala, police i različiti namještaj se tada lako umeće u drugom koraku. Ona osigurava najbolje preduvjete za reagiranje na uvijek promjenjive uvjete, kao što su preuređenja ili promjene lokacije.

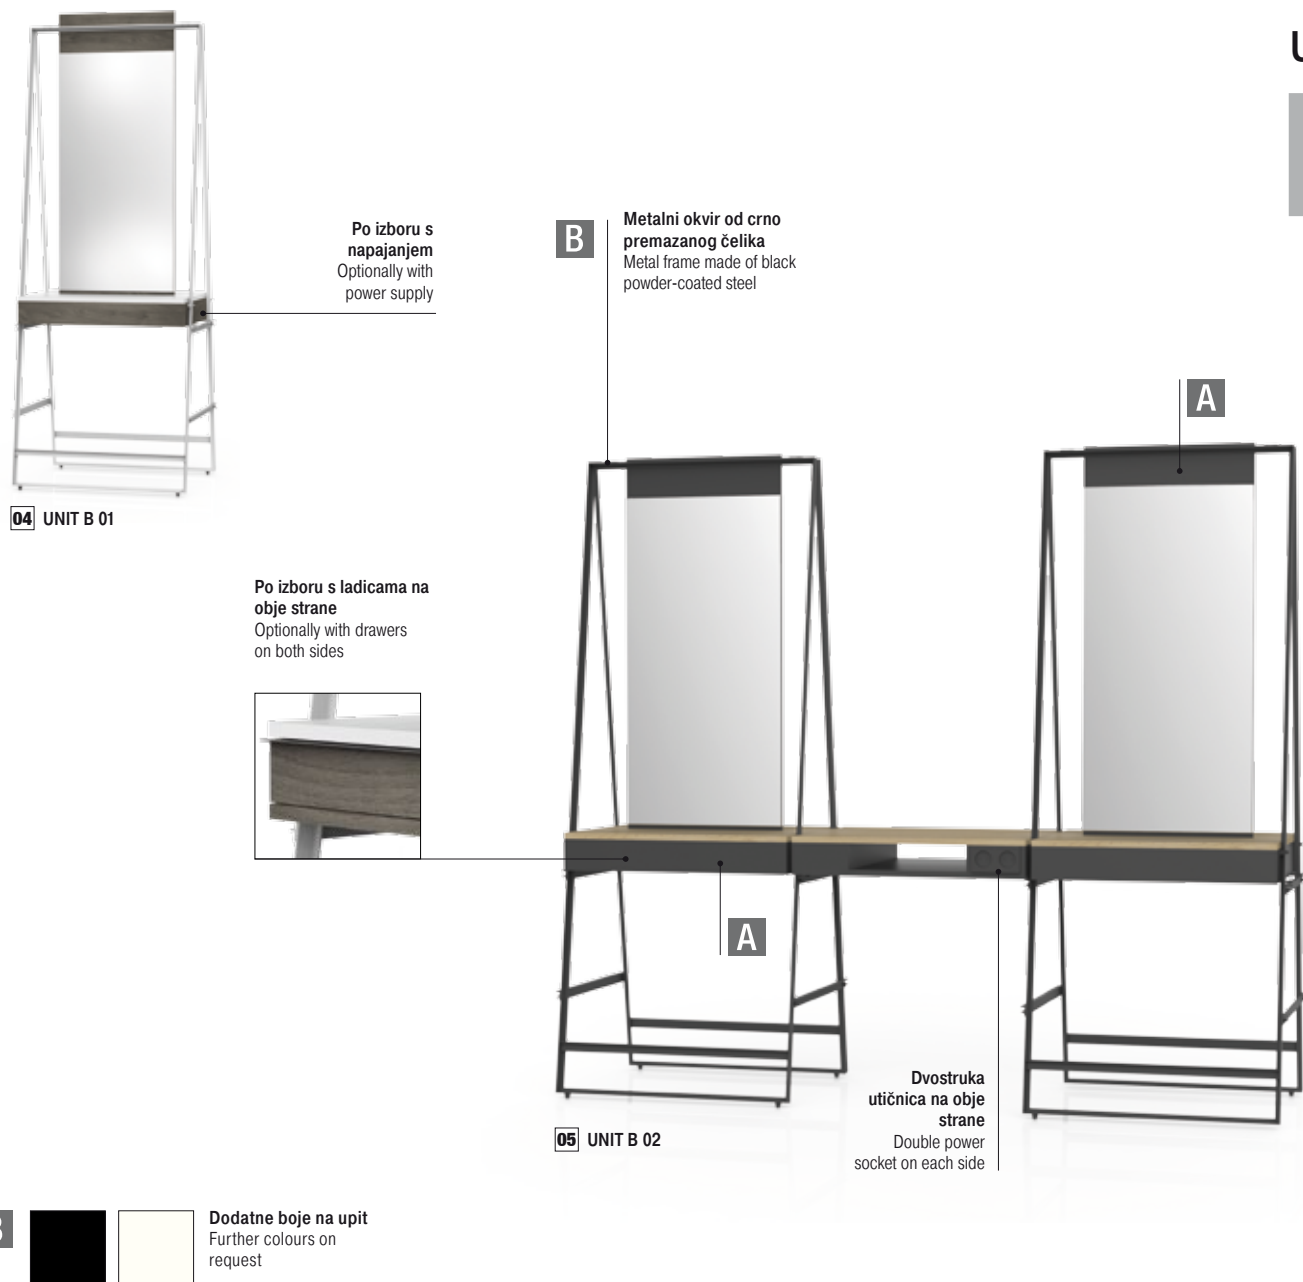

The new product line LL-POP UP! defines flexible hairdresser fittings and hair cutting units in a complete new way: The steel frames can be quickly and easily unfolded and set up without tools and captivate with modern industrial design. Mirrors, shelves and furniture cabinets are simply placed in a second step. The best conditions for being able to react to changing requirements again and again, such as events or necessary relocation.

OPREMANJE TRGOVINA I PREZENTACIJSKI SUSTAVI ZA MALOPRODAJU I INDUSTRIJU DILJEM SVIJETA

S razvojem visokokvalitetnog prezentacijskog dizajna, concept-s se u zadnjih 25 godina uspješno smjestio na tržištu i jedna je od vodećih tvrtki, u ovom segmentu, širom svijeta. Oko 65% svih kupaca concept-s proizvoda nalazi se u inozemstvu. Temeljna kompetencija je razvoj prezentacijskih sustava za industriju optike i sluha. Ali i drugi sektori, poput frizerske industrije, industrije satova i nakita, kod nas pronalaze inovativne prezentacije.

Uz serijsku proizvodnju i prodaju u cijelom svijetu, tim na čelu s direktorom Lukasom Schroll također planira i implementira kompletne objekte od dizajna do završetka. Concept-s dizajneri interijera stoje na raspolaganju kao savjetnici kupca tijekom cijele faze planiranja i izvedbe.

SHOP DESIGN AND DISPLAY SYSTEMS FOR RETAIL SALES AND INDUSTRY WORLDWIDE

By developing innovative presentation design for spectacles and processing high-quality materials and based on more than 25 years of experience in shop fitting, concept-s has already established successfully in the market and is one of the leading companies in this sector world-wide. About 65 % of the products from concept-s, shop fitting specialists from Schorndorf, are sold abroad. Besides the optical industry we also offer presentation systems for hairdresser, watches, jewellery and accessories.

In addition to serial production and worldwide sales, the team headed by managing director Lukas Schroll also designs and implements complete projects from design to completion. Here, the interior designers of concept-s provide the customer with advice during the entire planning and execution phase.

PAŽLJIVOST I PRECIZNOST: VISOKA KVALITETA JE NAŠ ZAHTJEV!

Naš krajnji cilj je zadovoljstvo naših kupaca, pa pridajemo veliku važnost kvalitetnim materijalima. Osim toga, svi naši proizvodi su sastavljeni za Vas s najvećom pažnjom i preciznošću. Dobro uvježbani tim i redovne provjere osiguravaju da funkcija i kvaliteta zadovoljavaju najviše standarde. concept-s proizvodi u Njemačkoj, na lokaciji Schorndorf u blizini Stuttgarta, kao i u glavnom gradu Hrvatske, Zagrebu. Uz suvremene proizvodne kapacitete, učinkovite strojeve i predane zaposlenike osigurana je fleksibilna proizvodnja. Pažljivo odabrani dobavljači iz zemlje i inozemstva jamče kvalitetu svih dijelova.

CAREFULNESS AND PRECISION: HIGHEST QUALITY IS OUR DEMAND!

Our products are assembled for you with due diligence and packed with rigorous precision. A good team as well as a constant check of our products, make sure that function and quality comply entirely with the requirements of our customers.

concept-s manufactures at its headquarters in Schorndorf, near Stuttgart as well as in Croatia's capital Zagreb. With modern production facilities, high-capacity machines and committed staff, a flexible production is guaranteed. Our suppliers are carefully selected so that we can guarantee the quality of all parts.

Ovisno o modulu i priboru možete birati između različitih dekoracija. Koristimo odabrane dekolonirane drvene materijale debljine od 8 - 19 mm. Naše površine dostupne su u matiranom dizajnu.

Osnovne konstrukcije, izrađene od praškom presvučenog čelika, uvijek se isporučuju u crnoj boji. Bijele ili druge RAL boje dostupne su na zahtjev.

Obrađujemo visoko kvalitetne, akrilne staklene panele u debljini od 3 do 8 mm (ovisno o modulu).

According to module and accessories you can choose from different decors. We use selected decor laminated derived timber products in a thickness of 8 – 19 mm. Our surfaces are available in a matt design.

Frame construction made of powder-coated steel are always delivered in black. White or other RAL colors are available on request.

We process acrylic glass panels in a thickness of 3 – 8 mm (depending on module).
